SUBJECT: Charlestown / Mass. R-55 / Designation of Developer

1480
10/16

The two owners of property abutting Parcel R-78 at 23 Sackville Street have been notified of the availability of the lot, in accordance with the "Policies and Procedures for the Sale of Small Parcels ..." which were adopted by the Authority on November 18, 1966.

Letters of interest have been received from both property owners and a meeting has been held between the interested parties and members of the staff. At that meeting it was agreed that it was in the best interest of both property owners not to sub-divide the parcel. Mr. McClean expressed a willingness to allow Mrs. Downes the opportunity of purchasing the entire parcel.

It is recommended that the Authority adopt the attached resolution designating Catherine D. Downes as redeveloper of Disposition Parcel R-78.
